EXPERIENCE

TOCCOA CAPITAL MANAGEMENT

Atlanta, GA

Full-Stack Software Engineer & Product Manager

2026 to Present

- Maintain and deploy production-grade web application software; managing developer handoff and integrating local LLM models for localized deployment
- Optimized deal sourcing workflow with AI email automation bot (95% extraction accuracy) reducing business development manual entry time by ~5 hours weekly; architected product roadmap for LLM infrastructure and workflow enhancements across underwriting and capital efficiency

Summer Intern

Summer 2026

- Developed proprietary web-app (Streamlit + MongoDB + Claude/Gemini LLMs) unifying deal sourcing, asset management, reporting, and capital raising; implemented SharePoint OAuth, an email bot, and automation processes
- Deployed as a tool for HNW/institutional capital deployment (over \$100M AUM), supporting commercial & residential real estate equity and debt strategies

BLUE EAGLE CAPITAL

Atlanta, GA

Chief Operating Officer

2026 to Present

- Led development of proprietary KPI dashboard software (TypeScript, Next.js, PostgreSQL) supporting analytics and optimization for an \$800K+ managed portfolio serving analyst workflows
- Deployed an end-to-end platform on the web: eight alert rule types (SMA/RSI/MACD), equity curve analytics vs SPY, signal badges, watchlists, and simulated metrics (CAGR, Sharpe, MaxDD, β , α)

EMORY UNIVERSITY, GOIZUETA BUSINESS SCHOOL

Atlanta, GA

Teaching Assistant & Research Assistant

2026 to Present

- Serve as Teaching Assistant for six courses (ISOM 356/641, BUS 390/593, FIN 321/671) supporting 350+ students
- Conduct market research and develop quantitative strategies to enhance Blue Eagle analyst decision-making and portfolio optimization

INTERNATIONAL CONFERENCE ON AI IN FINANCE (ICAIF)

New York City, NY

Webmaster and Assistant Coordinator

2024 to Present

- Coordinated over 30 volunteers and managed registration for more than 400 conference participants
- Developed and maintain eight ICAIF websites, supporting more than 10K monthly site visits
